Performance Funding Dollars Awarded		\$6,359,000	\$6,404,000	\$6,861,000		
Average Point Value		\$68,745	\$67,410	\$70,010		

MTSU 2012-2013 Performance Funding Results by Standard

STANDARD ONE - QUALITY OF STUDENT LEARNING AND ENGAGEMENT

STANDARD 1A: GENERAL EDUCATION ASSESSMENT (CCTST SENIOR EXAM)

Maximum Points	15
Awarded Points	15

MTSU’s average score on the California Critical Thinking Skills Test (CCTST) exam was 17.1 compared to the 16.7 national average. MTSU’s average score has exceeded the national average every year since the CCTST was designated the official general education exam at MTSU. Seniors who graduate fall, spring, or summer semester are required to take the general education exam.

STANDARD 1B: MAJOR FIELD TESTING

Maximum Points	15
Awarded Points	15

Major field tests were administered to seniors in 45 majors during 2012-13, during fall semester and again in spring semester. Results for the following undergraduate programs were reported, in accordance with the Performance Funding schedule.

1. Special Education	2. Early Childhood Education
3. Art Education	4. Business Education
5. Health Education	6. Interdisciplinary Studies
7. Physical Education	8. Nursing
9. English	10. Social Work
11. Anthropology	12. Political Science
13. Sociology	14. History
15. Art History	

Nursing and teacher licensure results are reported every year in Performance Funding.

STANDARD 1C: ACADEMIC PROGRAMS: ACCREDITATION and EVALUATION

Maximum Points	25
Awarded Points	23

ACCREDITATION

Maximum Points	5
Awarded Points	5

All creditable programs are accredited.

PROGRAM REVIEWS: UNDERGRADUATE

Maximum Points 10
Awarded Points 10

The following two undergraduate programs were reviewed during AY 2012-13 utilizing the traditional program review format: Economics and Philosophy. Both programs were determined to have met all standards included in the review.

PROGRAM REVIEWS: GRADUATE

Maximum Points 10
Awarded Points 8

The following graduate program was reviewed during AY 2012-13: Economics, MA and PhD.

Qualitative Standards	Economics MA and PhD
Student Experience	1.67
Graduate Faculty Quality	2.5
Teaching/Learning Environment	3.0
Program Evaluation	2.5
Overall Average	2.42

Rating scale: 0 = poor, 1= minimally acceptable, 2= good, 3= excellent

STANDARD 1D: SATISFACTION STUDIES (Alumni Satisfaction Project: Alumni Survey)

Maximum Points10
Awarded Points10

Detailed survey results are available at <http://www.mtsu.edu/iepr/surveys.php#4> .

(Note: Standard 1E, Job Placement, applies to community colleges only)

STANDARD 1F: ASSESSMENT IMPLEMENTATION (QEP)

Maximum Points	10
Awarded Points	10

A progress report on our Quality Enhancement Plan (QEP) was submitted as part of the Performance Funding Report. The institutional reports are evaluated for THEC by assessment teams, who decide the number of points to be awarded based on a qualitative review.

STANDARD TWO – QUALITY OF STUDENT ACCESS and STUDENT SUCCESS

STANDARD 2: STUDENT ACCESS AND STUDENT SUCCESS

Maximum Points	25
Awarded Points	25

At the beginning of the cycle, institutions were instructed to select five student sub-populations from a list of 11 options, including an Institutional Selection. MTSU’s selected groups, along with point information, are presented below.

No.	Sub-Population	3 Yr. Avg. Benchmark	2011-12 Attainment	Percent Attained	Points Awarded
1	Adults	1,389	1,488	100%	5
2	Low Income	1,532	2,027	100%	5
3	African Americans	413	498	100%	5
4	Institutional Selection: Veterans	125	176	100%	5
5	Bachelor’s Graduates with Previously Earned Associates Degrees	368	410	100%	5
